

DONATE BLOOD. DONATE LOCAL.

IT TAKES LESS THAN AN HOUR.

Lead by example.

Give blood for our community.

In partnership with Bloodworks Northwest, Junction City Government is helping support the local blood supply by hosting a two-day blood drive in March. When you donate with Bloodworks, you're contributing to a blood supply that helps 95% of Western Washington and Oregon hospitals. This one-hour donation appointment is a safe and essential action. Donor Centers and Pop-Ups are being conducted in accordance with social distancing guidelines.
